CUPE STAFF DEVELOPMENT SESSIONS

October 19, 2007

Full Day9 A.M to 4 P.M

(Lunch 12-1 pm)

- 101 Introduction to Global Positioning Systems**
Resource Person: John Buhnai
Maximum number of Participants: 12

This seminar explores the various uses and options of a Lowrance iFinder hand held GPS unit. We will look at other manufacturers, models and types. Our goal is for you to be able to navigate confidently with a hand held GPS unit. Bring your handheld GPS unit and the manual. Please include in your registration the manufacturer, model and type of the unit. This is critical information for a great day!! *There will only be a 1/2 hour lunch break due to the amount of information to cover.* It is an indoor/outdoor activity so wear appropriate clothing.

- 102 Introduction to Bridge**
Resource Person: Angela Taylor-Ferguson
Maximum number of Participants: 32

This is an introduction to playing bridge. We will start at the beginning and cover the fundamentals of all aspects of the game – bidding, play and defense. Bridge is a fascinating game that will help to improve your memory.

- 103 Microsoft Movie Maker**
Resource Person: Tom Brooks
Maximum number of Participants: 20

Participants will learn how to take pictures, audio files and music and incorporate them into a video presentation. Participants need to bring pictures, audio files (if available) and your preference of music (prefer mp3) though CDs will work. Basic computer skills are needed.

MORNING SESSIONS.... 9 – 12 am

- 108 **Health Concerns and Procedures**
